Departure Slot Program (11/22 Only)

- A departure slot program will be in effect at VGT for all IFR aircraft departing on Sunday, November 22, 2026, due to an expected increase in air traffic following the event.
- All IFR departures on this date must have an assigned departure slot.
- Departure slots will be coordinated through the FBO (702-261-3803).
- Aircraft unable to depart within their assigned slot may face delays and must coordinate a new departure time based on availability.
- Slot compliance is essential to avoid significant delays and maintain safe, orderly traffic flow.
- Promptly notify the FBO of any departure schedule changes.
